NEW COMPUTER CLASSES

Sarah Flanagan, director of the Flaggl Rochelle Public Library District, will be teaching two 8-week computer classes starting Thursday, October 5. The first class, Computer Basics starts at 9 a.m. and is designed for students who either have no computer skills or want to continue to develop basic computer skills. Advanced Computers starts at 10 a.m. and is designed for the student who has a basic understanding of the computer. This class will help you develop additional skills and improve your computer knowledge. As always, there is no charge for our classes. You are welcome to bring your laptop, although we do have 6 computers available for your use.

Call us at 815-562-5050 to register.

OCTOBER MOVIE DAY!

Movie Day is Friday, October 27 starting at 12:15.

We are watching "Somewhere in Time".

In 1972, playwright Richard Collier (Christopher Reeve) becomes fascinated by a photo of Elise McKenna (Jane Seymour), a turn-of-the-century stage actress, while staying at the Grand Hotel in Mackinac Island, Michigan. As Richard's obsession grows, he learns from a friend that time travel may actually be possible. Richard travels in time to meet Elise, and the two appear destined to be together.

However, Elise's jealous manager (Christopher Plummer) attempts to keep them apart. This is such a cool movie. You will LOVE IT!

Memorial Donations

We have lost a lot of very dear friends over the past couple months. They include: Queen Rita Bearrows, Carolyn "Janie" Harris, Jim Jones, Dick Miller, Don Rodge, and Iris Stewart. Many of their families and friends chose to make donations to the Hub City Senior Center in their memory. We will all miss them so much. Their names will be engraved on our memorial wall, but memories of them will live forever in our hearts.
